

e-Estonia Showroom

gateway to Estonian innovation

The e-Estonia showroom is a Tallinn-based executive briefing center and an innovation hub designed to experience the e-State of mind. Established in 2009 as an NGO, the e-Estonia Showroom today is an integral part of Enterprise Estonia in e-Estonia brand and country promotion. The Showroom is focused on a holistic approach to present the e-Estonia concept and acts as a coordinator between G2G, B2G, and B2B relations. Showroom is hosting presidents, ministers, high-level decision-makers from public and private sector, investors and international media.
